17/ This is about the question of providing free quarters, or house rent to lady medical officers. There is at present no uniformity. The officers mentioned at para A. P. W. D. except the L. M. O. R. R. Hospital occupy the residential quarters attached to their institutions free of rent.

18/ The L. M. O. R. R. hospital is given a house rent of Rs 30 per annum.

19/ The institutions noted at B. P. W. D. are located in private buildings and no lady medical officers have been allowed to occupy the portions of the houses required for dispensary purposes.

27) The Asst Secy's note, paras 17-23 above, gives the points in the case. If free quarters are granted to all (a dy medical Offrs Govt will, as matters stand at present, have to give up Rs 954 in rent that is being now received and pay Rs 1440 for providing quarters where they are not now given. If the orders have effect from 1st Jany 27 the payment during the current year would have to be Rs 210/-. It may be possible to find this sum from sanctioned grants.

28) It seems desirable to sanction the provision of free quarters for this class of Offrs and the grant of a rent according to locality and rank in lieu of free quarters where these cannot be provided. The rent may be fixed at a maximum Rs 10/- for places where only S A's & Asstts are generally posted Other Mamlatdrs (30 Divisions) and Rs 20/- for 30 S A's and Asstts in 7 Divisions Talukas, only actual rent being paid. From

Dr. B. Mahomed Usmon, L.M.S.,
Senior Surgeon in Mysore, Bangalore.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Medical and Agricultural Departments,
Bangalore.

Sir,

I have the honour to state that in para 2 of Government Order No. L. 2160-61, Med. 23-25-2, dated 18th September 1925, a separate report had been called for from this office regarding the grant of house rent to Lady Doctors, noting previous history and practice in this respect.

The question of the grant of rent free quarters to Lady Medical Officers does not seem to possess any specific past history, in as much as Lady Medical Officers were being treated on a par with medical officers of the other sex in respect of pay, allowances and other easements, till the former were separated from the latter and put into a distinct cadre by Government Order No. G. 1964-74 Med. 52-19-3, dated 27th July 1920.

Even on this occasion the question of grant of free quarters to lady doctors was not considered, although it formed one of the recommendations made in this office letter No. C. 147-2, dated 4th October 1919, on the analogy of the practice prevailing in all other parts of India, and the order confined itself to fixing the pay of the Lady Doctors of the different grades.

Government quarters for lady doctors attached to the Victoria Hospital, the Maternity Hospital, Bangalore, the Vani Vilas Hospital, Mysore, and the Maternity Hospital at Robertsonpet, have been allowed to be occpied free of rent, while the lady Assistant Surgeon of the Krishnarajendra Hospital is given a house-rent allowance of Rs. 30/-, as no quarters have

attached to the Female Dispensaries in the other district Head quarters and also certain Taluk Head Quarters are being made to pay rent according to Rules for Government buildings or portions thereof, occupied by them. Even in these cases, a n exception was made in the case of Miss. M. S. Gnanamuthu, when she was attached to the Hassan District Hospital, by allowing her to occupy, free of rent a portion of the old District Jail building. (Vide Government Order No. P. 6659-63 Pris. 79-24-2, dated 30th May 1925) No rent appears to be levied from the lady doctor in charge of the Female Dispensary at Davangere, which is located in a Musaferkhana (not a building of the Public Works Department) in a portion of which the doctor in charge lives.

The practice in Mysore is, thus, not uniform, In other parts of India, on the contrary, lady doctors are invariably provided with rent free quarters near the institutions where they are expected to work. In the application recently received from lady doctors, the grant of free quarters has been insisted upon by the applicants, and free quarters or house allowance instead, had to be promised by this office before the selected candidates could be induced to take up service here.

In the above circumstances and as the grant of free quarters had been definitely conceded to the lady doctors posted in connection with the Malnad Improvement Scheme, in para 10 of Government Order No. L. 2891-904 San. 28-24-1, dated 1st October 1924, I request that, so far as Government buildings ~~are~~ or portions thereof intended for the occupation of lady doctors are concerned, they may all be kindly declared as rent free.

Very early orders are solicited as a representation has been received from Mrs. B. Perriton, posted to Shimoga, under the revised Malnad Improvement Scheme, that she has been asked to pay a rent according to rules (one-tenth of salary) for the quarters occupied by her, which is a real hardship, in as much as she had enjoyed the privilege of house rent or free quarters so long as she was attached to the Victoria Hospital, and the Robertsonpet Maternity and is entitled to free quarters under the Malnad Improvement Scheme order of 1st October

Order of 1st October 1924.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.

Regarding the exemption from payment of house rent by Lady Doctors.

Sir,

With reference to correspondence ending with your letter No.G. 1371 dated the 10th August 1926 on the above subject, I have the honour to state that there is no objection to declare the quarters for Lady -- Doctors rent-free, if quarters are provided by Government in all ------ hospitals. As matters stand at present, there are quarters in a few - places only, and declaring these rent-free will result in giving unequal treatment, as in ~~many~~ places where there are no quarters, lady doctors will have to hire private buildings and pay rent themselves. In such cases they may be given a house allowance. The proposal also entails some loss of revenue to Government in the shape of house rent for which special sanction of Government may kindly be obtained-
